

One Remembered

In a recent article in The Herald, the Belle Glade Jaycees printed a black check and asked that readers fill in name of (their bank and amount of their contribution to the Little League Ball Park Building Fund. Of the 5,000 copies of this check printed, only one was returned. Only one person remembered the training, recreation, and enjoyment of his own little league days.

A check for \$5.00 was mailed immediately upon receipt of his copy of the Belle Glade Herald from Tommy Cline who is attending North East A.M. College at Miami, Oklahoma. He remembers his days as a little leaguer and what the league program did for him. Here we have a young man, attending college, having a definite use for all of his funds and surely not having funds to squander, but he was able to contribute \$5.00 to what he considered a most worthy cause.

If just one third of the population of Belle Glade or just one half of the parents whose children will participate in the Little League program in the next 5 years, would make a similar sacrifice, there would be more than ample funds to build the park.

Have you forgotten? Do you care? Are you interested in seeing the little leaguers have a place to hang their bats? The Jaycees are. If you have an interest and a desire to help construct the Jaycees and offer your assistance in money, labor, or material, Write Jaycees, Box 446, Belle Glade or call Mike Cooper, Little League Chairman at 996-2805.

BG FFA To Sell Steers At Fair

Belle Glade FFA members, Larry Campbell, Benny Stewart, Mike Wilson, Kenneth Crawford, Jimmy Jackson, Duane Stokes and Mike Mansfield have done an outstanding job of growing out their steers should grade choice or better.

These steers will be sold at the South Florida Fair at 1 p. m. Saturday, Jan. 25. The steers are beautiful, vary in weight from 700 to 850 lbs. and are choice.

The FFA boys invite Belle Glade to attend and participate in purchasing of these steers. The Chapter will bring the steers back to Belle Glade and butcher it to any of these purchasing from the Belle Glade area.

SOS—

No. 1 Given To 23,100 Sunday Others Invited On January 26th

The FFA boys invite Belle Glade to attend and participate in purchasing of these steers. The Chapter will bring the steers back to Belle Glade and butcher it to any of these purchasing from the Belle Glade area.

Whole Family Takes Vaccine

Mr. and Mrs. Dick Burns, and the three boys take the same dose Sunday afternoon, as did many families.

It is estimated that 76 percent of the Glades population took their first vaccine on Sunday, January 19th. For a total of 23,100, leaving seven thousand plus, who are urged to show up at the same stations next Sunday, January 26th, commencing at 12:00 noon.

The many volunteers who aid-

Serious Offenses Charged To Youth

Released on a \$6,000 bond after appearing at the Sheriff's office voluntarily, Robert Marshall Levine of Pahokee, faces two charges of "aggravated assault" and violation of two game laws — firearms in a management area and possession of a wild hog carcass in a closed area.

According to reports, Everglades Region Manager for the Wildlife L. E. Gaine, accompanied by officers John Maple and Harley Jones were busy with the chase and attempted to arrest Levine and another youth who "skipped in the sawgrass".

Officers came on the (two) youth and a woman in a car in the southern part of the County between US No. 27 and the Miami Canal. After preliminary conversation concerning the firearms, the pipe and miscellaneous tools found in the car and the announcement that they would be taken to the County for formal charges, one officer turned to his car to radio a report to headquarters. Levine, according to reports, was placed in the back of the officer with the admonition that he would shoot if he failed to do as told. One officer was able to slide into the sawgrass.

The group left in the car headed west, with the officers advising other peace officers in Palm Beach and Hendry of the flight, and requesting aid in apprehending them along roadway leading north.

The car used by the two men and the woman, was discovered from the air by the Wildlife helicopter, in Clewiston and was taken in by the officers.

Levine appeared at the Sheriff's office and arranged bond of \$6,000.

Glades Chief Deputy Verne Clarke reports that he is accumulating evidence and expects to file additional charges against Levine concerning auto and automotive parts previously reported as having disappeared.

Deputy Clarke expects also to have additional evidence to involve and identify the other man who was in the car with Levine.

Dr. Hoke Shirley BG Memorial Chief

At an organization meeting of the staff at the Belle Glade Memorial Hospital Tuesday night, Dr. Hoke Shirley was elected as Chief of Staff. Dr. John Grady was elected Vice-Chief and Dr. S. J. Simmons as Secretary.

Dr. Hoke Shirley took the place of Dr. Brown, Baker and Norville.

'Homefolks' Present Bud Checks

"A Down Payment Bud"

Harold Rabin, acting for a local Committee of Bud for Governor, hands Stearns Dickinson a handful of checks totalling \$19,000 — Just a down payment on contributions from your COUNTRY FRIENDS: Bud.

More than 100 Mammans and Seated in the Capitol Building, Bud emphasizes his service in the Legislature and his Chairmanship of Florida's Committee of One Hundred where he has had daily contact with Florida to tourist and to industry, most successfully.

Bud complimented Ocala and Marion County as the hub of a wide-diameter wheel, with spokes of modern roadways, as the home of a Governor. "The Road Department is a direct obligation and responsibility of the Governor, and Palm Beach County roads are high on my agenda."

Bob Lee, as MC, presented Judge Tyson, who introduced his "long-time friend, Florida's next Governor" to a very respective audience.

When Bud had completed his address, Bob Lee, a state-appointed Committee, presented the Candidate with a handful of checks totalling \$19,000.

Taken completely by surprise, Bud was, at a loss for words other than "Thank you (haltingly) Yes, We do thank you — and you just knew he meant it."

Pointing out that South Florida deserves the Number One

Alert Officer Furnishes Evidence For Solution Of Several B&Es

A series of events commencing with the alertness of a Pahokee Policeman Edward Gray led to the solution of several breakings and enterings in the Glades.

While the Radio, and TV Store was entered Saturday night at 10:30 with a TV, stereo and transistor radio found missing when Sgt. Fegelman took the place of Dr. Brown, Baker and Norville.

After assessing the damage and missing items from the Pahokee store, the tag number and general description were telephoned to the Belle Glade police.

Sergeant Fegelman in a follow-up check of licenses found Mother Hurt—

Two Youngsters Escape Car Accident

Mrs. Jacqueline Hoyle of 1434 NW Avenue G has painful lacerations and bruises of the face as the result of a collision with a car driven by Annie Weaver of 401 W. Avenue A, both of Belle Glade.

Eight-year-old Tena Hoyle and four-year-old Mark escaped injury, except for grief over the temporary loss of a puppy which "skedaddled" following the accident. The Belle Glade police remembered seeing the scared puppy crossing the Second Avenue bridge "in high" as they were answering the call to the reported wreck and later found and returned it to Tena.

The police report is that Annie Weaver, going south on Fourth, hit the Hoyle car, which was headed west on Avenue A, and was prevented from crashing through the Royal store window by the concrete post at the edge of the sidewalk.

Mrs. Hoyle's face was appar-

ently cut by the glass in the car she was driving, so that more than two dozen stitches were required.

Mrs. Hoyle is reported resting as comfortably as may be expected at the Belle Glade Memorial Hospital.

Annie Weaver is under a \$100 bond for "failure to yield the right-of-way and causing an accident."

Head-On Collision Seriously Injures 3 Adults, 9-yr. Old

An apparent head-on collision between a car driven by Lee L. Rhymes and one by Homer Brooks, both of Belle Glade, on South West Canal Street, just west of Fifth Street, at approximately 8:30 p. m. Tuesday afternoon, leaves four in the hospital.

Nine-year-old Timmy Kinsman who was riding with his Uncle Lee is in an undetermined, but serious, condition in St. Mary's Hospital at West Palm Beach. It is reported Wednesday afternoon that Timmy is being watched by physicians without operation on his badly crushed face because of a heart ailment which apparently results from the collision.

Mrs. Brooks, who was with her husband, in the family Pontiac, is reportedly resting fairly well in the Belle Glade Memorial Hospital along with her husband.

Mr. Rhymes, who reportedly, has several crabs in ribs and other bruises and lacerations, is resting better Wednesday afternoon than he did Tuesday night, in the Belle Glade Hospital.

A reconstruction of the accident as to point of impact and final resting place of the two cars, by the Belle Glade Memorial Hospital indicates that the left front of the Rhymes car collided with the Brooks car about midway of the front of the Brooks vehicle. This layout indicates that the two cars were on a two-lane road, head-on, a car's length west from point of contact, when motion stopped.

Apparently the Rhymes car had turned the corner from Fifth Street into Canal Street, and had not completed its straightening up when the collision occurred.

All four of the injured were taken to the Belle Glade Hospital but Timmy was sent on to St. Mary's because of the indicated necessity of specialists in plastic surgery.

At press time no charges had been filed against either party to the accident.

Better Entertainment For Belle Glade

The Belle Glade Jaycees, in their effort to promote more and better family type entertainment for Belle Glade, are sponsoring the GLADES BIG GOSPEL SING on February 12. This is Thursday night at 7:30 at the Belle Glade High School Auditorium.

The event will feature the fabulous REBELS QUARTET from Tampa, Fla., The Kinard Sisters from Pahokee.

The Jaycees welcome any comment or suggestions concerning community development or entertainment. If you are interested in a better community in which to live and a better life in your community, come and bring the entire family and your neighbors to the Glades BIG Gospel Sing and support your local Jaycee chapter.

Farm Labor Wages Of \$150 Or More Will Be Reported

Farm operators are reminded that they must file reports of wages paid to farm workers in 1963, together with payment of social security taxes by January 31, 1964.

R. C. Gehrkens, Jr., District Manager of social security in West Palm Beach, stated that any employer who paid \$150 or more in cash wages to a farm employee or had a farm hand working for him on 20 or more days for cash pay during 1963 on a time basis rather than on a piece-rate basis, is required to pay the taxes and make these reports.

Cash wages which are paid to members of a farm labor crew must also be reported by the employer. Gehrkens stated that generally the crew leader is the employer, unless the farmer and the crew leader have a written agreement that shows that the crew leader is the farmer's employee.

Florida's 158-mile turnpike extension between Fort Pierce and Dade County will open to public use 2:00 P. M. Monday, Jan. 20.

Sections of the project connecting Orlando with Fort Pierce at a distance of 102 miles were opened in July and November, 1963.

Turnpike To Wildwood

Opened Monday, Jan. 20

Odor And Taste Of City Water Corrected With New Equipment

"At an informal meeting with the City's engineers Monday night," says Mayor LeBarron Williams, "it was unanimously agreed that definite action on Belle Glade's water system is the number one job for the engineers and the City Commission."

Only a few days remain for farmers who have permits to apply for their gasoline refund from the State Comptroller's Office. January 31 is the deadline, according to Florida Agricultural Extension public affairs specialist Roger Hill.

Farmers who had a valid refund permit during 1963. No refund is authorized however, for purchases of less than 25 gallons at any one time, and none is given when the refund for 12 months is less than \$5.00.

Both purchaser and seller must have complete records of the transactions, and these must be kept two years. As long as refund claims are filed yearly, the refund permit remains valid.

Not all permit holders have been taking advantage of the opportunity for refunds. In 1960, for example, only 37 percent of the permits were used. The average payment per farmer that year was \$139.76. But, \$138,000 previously appropriated by the Legislature to pay refunds was left unclaimed.

Residents are warned to be aware of "door-to-door" solicitors by the Better Business Division of the Belle Glade Chamber of Commerce.

The Chamber notes that with in the city limits such solicitors must be licensed, and any legitimate canvasser will gladly show his permit.

For your own sake, don't give cash or checks to any person who will not show his license. If one refuses to do so, notify the Belle Glade Police Department immediately. Give them a description and tell them in which direction the solicitor went from your house.

gineers and the City Commission."

"To that end, we have set up a meeting with the State Board of Health municipal water specialists in order that we may evaluate our condition and the practical immediate steps for correction and betterment."

"We have just installed a new pump and power unit at the intake on the rim canal, and have repaired the intake pipes at the station, but we know that the line from the intake to the Plant must be replaced with an entirely new line."

Belle Glade voters okayed the issuance of bonds in the amount of \$2,290,000 in May of '56, a gain in a straw vote in September of '57.

In January of '63, the Commission called for a referendum on the water-sewerage proposition and of the 255 total voting 133 voted against. In September of '63, 336 voted "FOR" and 375 "against."

City Commissioners have "met,"

The final contract has been awarded by the Southwestern PB County Hospital District with Tschirgi-Hunter combination, with 425 calendar days for completion. The anticipated completion date will be in April of 1965, which is a definite date of relief.

The contract price is \$1,286,175, with the overall total cost at \$1,655,646. Work will officially begin Monday with road ways and access paving completed first so that materials and equipment may be delivered to the site.

Laura F. Cobb

Buried Sunday

Mrs. Laura Frances Cobb, 29, of N. W. First Ave., Southway died last Friday at Good Samaritan Hospital, West Palm Beach.

She came to South Bay 17 years ago from Lockwood, Tenn. She was affiliated with the Baptist Church.

Survivors include her husband, Buck Cobb, South Bay; one son, James Drew Cobb and one daughter, Donna Lynne Cobb her parents, Mr. and Mrs. Eston Sapp, all of South Bay, two sisters, Mrs. Louise Cobb and Mrs. Jean Anderson, both of Belle Glade.

Services were conducted at 2 p. m. Sunday at the First Baptist Church, South Bay, with Rev. Anselm Germano of West Palm Beach and Rev. James Fulton of South Bay officiating. Burial was in Port Mayaca Cemetery.

Pallbearers were Kenneth Warren, Norman Austin, E. O. Miller, Arthur Collins, Hoch Cooper and O.D. Martin.

Williams Funeral Home was in charge of arrangements.

Hard Workers For The Next Governor

Mr. Dickinson, accompanied her husband wherever she finds she may help, when she can find time off from being Mama to five youngsters. Judge Tyson who introduced the speaker is an old time school friend and fellow attorney of PB County Bar. Representative Emmett Roberts, a close friend of Bud's is assisting wherever practical in the campaign.

discussed and met again" during all this time. Recently, water was taken from the canal in front of the plant, and customers were treated to "odoriferous and fishy-tasting" water.

Conditions at the rim canal intake and at the plant were such that the necessary supply had to be taken from the Hillsborough canal, with the hopes that the intake at the plant would not collapse while this was being done.

These deficiencies have been remedied since March Anderson has been Acting City Manager, with Charlie Goddett as Assistant, and a near disastrous condition alleviated.

So, the City Fathers, being informed of these conditions have agreed to "take some definite and constructive steps" within the next two to three weeks.

The matter of whether the sewerage will be extended, as planned, will also come in for consideration by the Commission.

UNCLE DAN from DOOLIE says:

Dear Mr. Editor:
The felers at the county store Saturday night was in a state of confusion over the political situation. Most of the felers was agreed the political front was getting as confused as the battle lines in Vietnam and the Congo.

Zeke Grubb reported he had saw in the papers where candidate Rockefeller says he's running again the "Four-D Formation" — debt, disaster, deceit, and Democrats? How the so over and at the same time Zeke said, Rockefeller allowed as how he isn't promising no miracles if he gets to Washington.

After the miracles we've had in Washington for the last 12 year, like Billy Sol Estes and Bobby Baker, for instance, hope whoever wins will give us a few small ones to taper off on's to keep us awake and up and getting the heebie-jeebies.

It's hard, Mister Editor, to figure out what might come from Russia, they ought to give us oxygen tents for what we know is coming from Washington.

Even Ed Doolie, that is a authority on politics, special the Republican brand, says he can't tell from down or front from back about the political double talk now going on amongst the candidates. Ed says it makes him recoil about the feller in the cafe complaining to the waiter the water was muddy. The waiter jumped all over the feller, claimed he couldn't see good, said they wasn't nothing the matter with the water, the glass was just dirty.

Zeke was of the opinion both sides would have to set up some of them Markus of Queensbury or the water was going to get too muddy or the glass too dirty for the voters to tell from nothing what it's all about.

Yours truly,
Uncle Dan

Where Are We? ... Where Are We? ... Where Are We?

The oldest and the youngest bank in Palm Beach County is located in the Glades — the Bank of Pahokee and the Bank of Belle Glade, the oldest Federal Savings and Loan Association is located in Belle Glade, with a branch, in Pahokee.

There are twenty-two commercial banks in the Glades. There are eight Federal Savings and Loan Associations.

The commercial banks have on deposit a total of a third of a billion — \$323,032,915; the savings institutions have investors with more than a quarter of a billion — \$266,193,084; the total of the two groups is \$589,228,000,000.

The commercial group increased its deposits by 6.1 percent over 62, while the savings and loan organizations increased their deposits by 15.6 percent.

In resources, the total combined increase is 10.7 percent.

The First National in Palm Beach has the greatest deposits — \$54,072,271, while the First National has the largest savings — \$87,275,821.

The Everglades Federal Savings and Loan Association pays the highest dividend, historically — 4 1/2 percent — on savings.

Sales And Use Tax \$18 1/2 Million In Nov. For A 17.35% "Up"

J. Ed Straughn, Director of the Florida Revenue Commission, said today that sales and use tax collections for December totaled \$18,259,809, which was an increase of \$2,700,835, or 17.35 percent over last December.

Straughn said fiscal year collections totaled \$103,486,161, an increase of 17.25 percent, or \$15,228,804.

Straughn reported that the 5 percent wholesale sporting goods tax produced \$76,593 in December, which was \$5,165, or 7.23 percent more than was received from November collections. Fiscal year collections total \$289,547.

Intracoastal Waterway, Caloosahatchee And C&SFCD Benefits Big During '64

Construction by Army Engineers during 1963 posted another peace-time dollar value record when some \$107.7 million in federal funds were spent by the Jacksonville District for military and civil works construction and for navigation and real estate.

This topped the 1962 construction figure by \$4.2 million and almost doubled the 1961 expenditures, according to District Engineer Col. H. R. Parfitt. "Calendar year 1963 was a big one for the Jacksonville District of the Corps of Engineers and significant milestones were reached," Colonel Parfitt said.

Enumerating the milestones, Colonel Parfitt noted that: Land acquisition for the National Aeronautics and Space Administration Manned Lunar Landing Area on Merritt Island was virtually completed at year end. Some \$23.9 million was spent by the Corps for the land during this calendar year.

Civil works construction by the Army Engineers totaled \$33.3 million.

Military construction, including NASA and Air Force work for the first six months of the year, valued at \$67.1 million. Effective July 1, a separate Army Engineer District was created to handle the space construction program at Cape Kennedy and Merritt Island.

Some \$1.3 million was spent on Duxal and St. Johns County beaches this year to restore the storm damaged sections. Navigation projects boosted the year-end expenditures to \$3.9 million.

Announcement was made just before Christmas that the first contract on the Cross Florida Barge Canal would be awarded some time early in 1964.

Giant strides were made in the Central and Southern Florida Flood Control Project where significant new starts were

made on enlarging floodway channels and constructing locks on the Kissimmee River and the Caloosahatchee River.

Deepening and widening the Intracoastal Waterway from Jacksonville to Miami was nearing completion and the last segment of dredging was scheduled to be put under contract early in the new year.

During the year extensive work was accomplished on widening and deepening the Kissimmee River and on construction of locks on the floodway channel. Deepening and enlarging the Caloosahatchee River channel which flows from Lake Okechobee to the Gulf of Mexico was also started.

On the Caloosahatchee River some \$10.5 million worth of work was underway or nearing completion at the end of December. Included in the construction of an additional lock, which is about 75 per cent completed.

Dredging and lock construction contracts costing more than \$12 million were at various stages of completion on the Kissimmee River. Five of the six locks are now under contract at a cost of \$5 million.

The Kissimmee River Basin is the primary watershed for an area of 4,400 square miles, discharging into Lake Okechobee. The locks are being built to provide navigation for boats up to six feet in draft.

Three pumping stations and two boat locks on the northwest shore of the lake were completed during the year and some 50 miles of levees were finished. Rich agricultural lands south of the lake, which furnish much of the winter vegetable crops, became more productive. Sugar cane fields have mushroomed from 40,000 acres in 1959 to more than 185,000 acres today. Meanwhile, population of the 18-county area continues to

Area Golfers Will Participate In Contest For Heart Assn. Funds

Lucky golfers who shoot holes in one Feb. 22-23 may help boost Heart Association funds by \$10,000 or more.

Carl A. Fischer, president of the Heart Association of Palm Beach and Martin Counties, today announced the two-day golf tournament being sponsored by the First Flight Company for the Florida Heart Fund Drive.

Any hole-in-one made at a PGA golf course that weekend will produce Heart Fund revenue at the rate of \$800 for the health agency and \$200 in choice of First Flight merchandise for the participating golfer.

The tournament coincides with Heart Sunday on Feb. 23, climax of the annual nationwide campaign of the American Heart Association at least \$10,000 and encourages players to enter the hole-in-one contest to expand the total.

The hen who chided her offspring, "If your father could see you, he'd turn over in his grave."

proved

The one on top is a world famous legend. The one below it is the same legend redesigned into an all new station wagon.

It has the deluxe interior appointments and comfortable ride of a fine passenger car... carries six big adults plus more luggage and equipment than you can imagine. It's powered by America's only automotive overhead cam engine, the high torque Tornado OHV... offers optional extras such as automatic transmission, independent front suspension, power steering and power brakes. But the all new Wagoneer is really a "jeep" vehicle at heart.

The "Jeep" Wagoneer goes up steep hills, over rough rugged terrain and through snow and mud that leave other cars helpless. And around slippery turns that cause fumbling and sliding, it hugs the road with traditional "Jeep" traction.

The big reason is 4-wheel "Driveshafter." All four wheels are power wheels instead of just two. Take a demonstration drive soon. You've never driven a car that can do the things this one can.

KAISER JEEP CORPORATION

South Florida Fair's 52nd Meet Starts Tomorrow

When: January 24 through February 1, 1964.

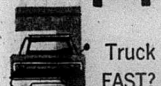

Where: Fair grounds on U. S. 96, Southern Boulevard Extension, approximately one-half mile west of the Sunshine State Parkway at West Palm Beach.

This is the South Florida Fair's 52nd anniversary and has become one of the largest in the country; it has come a long way from its infancy in 1912, when all exhibits were housed in one tent and presented simple displays of handicrafts, cooking, home vegetable growing and hobbies.

According to tradition the Women's Club of West Palm Beach, will maintain a snack bar and restaurant serving sandwiches, coffee, hot ginger bread, butter milk and various snacks popular with Fair visitors.

Staffed with volunteers, a RED CROSS mobile unit will be on hand throughout the nine days of the Fair, ready to deal with any emergency. The staff of the unit will also give demonstrations in First Aid.

ribbon cutting will take place at 10:00 A. M. on Friday, January 24.

On Monday, January 27, Hon. Farris Bryant, Governor of the State of Florida will be the Fair's honored guest.

On weekdays during the Fair the gates will open at 10 a. m. and close at 10 p. m. Sunday hours are 1 to 10 p. m.

Joining Palm Beach County, originator of the Fair, are the participating counties, which include Brevard, Broward, Collier, Dade, Glades, Hendry, Indian River, Martin, Monroe, Okeechobee and St. Lucie.

Also among the 1964 expansion is the enlarged restaurant run by the Eastern Star as a service to Fairgoers.

Exhibits
In keeping with the Fair's traditional emphasis on Education, which has been incorporated into the Fair's theme this year, exhibits both industrial and civic will be demonstrative as well as colorful.

Leading the way in education will be the large and comprehensive exhibit prepared by the Board of Public Instruction. Also included are displays from the Palm Beach Junior College, The Florida Atlantic University and the vocational departments throughout the county.

Space programs will also be represented by Pratt & Whitney, who will put on display their space transport engine, developed here in South Florida by their engineer at Keesler development Center. Specially featured will be exhibits from N. A. S. A. Sikorsky and Norden.

Also of special interest to the future young scientists Fairgoer will be the exhibit executed by the Telephone and Telegraph Co. Their display has been planned bearing the aspect of education in mind. Titled, "Yesterday, Today and Tomorrow" it will tell the story of how Bell Telephone serves us all.

The City of West Palm Beach itself will have an extensive display, which will be arranged as a walkthrough display and arranged by the city's many departments.

Leading off the impressive display of agricultural exhibits will be a stunning display of the booming sugar industry. For Florida has long been famous for its citrus and growing livestock industry, but she has now become the nation's largest supplier of cane sugar.

Unusual agricultural exhibits will be seen in the Agricultural Building, among them a display on Honey making, and on show will be an Apiary, sent by the State Department of Agriculture. Also on the agenda will be a show on sod; giving a large collection of lawn grasses.

Part of the agricultural show will be the contribution of the Fair Club to the Future Farmers of America.

As in other years the cattle and livestock will be one of the most impressive parts of the entire fair. Prepared by the Agricultural Department the exhibit will include dairy, beef and even a giant steer for the curious. The poultry and livestock, the pure bred Guernseys will be more impressive when shown in the center of the Winter vegetable market garden, which is Florida.

Part of the program will be the honoring of the 1964 Fair Family, this year Mr. Ted Winsberg. It is the tradition of the Fair to honor each year the outstanding farmer and his family, giving him the freedom of the Fair and appreciation for his role in the life of the community.

The Florida Game and Fresh Water Fish Commission will be on hand with a fine wildlife and conservation exhibit. Here, live animals of the Florida country may be seen in backgrounds resembling their natural habitats, or in trophy form.

A special attraction for those who love animals and specially designed for the delight of children will be an Animal Nursery in a story-book Big Red Barn. Here will be seen each of the animals indigenous to the area with their young. Accompanying each stall will be rhymes taken from Childerists, describing the animal and her habits.

In the center of the Big Red Barn will be a fascinating new attraction: a Chick Midway complete with 200 trained baby chicks, who ride carnival rides, by train, and ferns wheels to the amusement of all. They are brought here by Mr. Leslie Renard of Des Moines for the duration of the Fair.

Also in keeping with children and animals will be the display by the Junior Audubon Society, who will give a demonstration on birds and their conservation in our state.

Adding to the theme of conservation will be the highly educational display planned by the Florida State Departments of Conservation, Water Resources and Forestry, the Florida Petroleum Council, and the Central and South Florida Flood Control. As a further contribution to this work the U. S. Corps of Engineers will also present their exhibit.

A new permanent feature has been added to the Fair this year by the Florida Nurserymen and Growers Assoc. with the Mens Garden Clubs of the Palm Beaches and the Garden Supply Dealers of Palm Beach County. This will be a botanical garden with water system and lighting fixtures, placed between the Agricultural Bldg. and the Educational Bldg. which will this year be turned into a patio garden with artistic arrangements of special plants.

As in previous years the space will be devoted to the combined displays of the Home Demonstration groups from the participating counties. The Palm Beach Home Demonstration County Council will lead the group in exhibits designed to be both attractive and informative. These will include a "Fabric Clinic" on the use of synthetic fibers.

The Norton Gallery of Art will be on hand with paintings and artwork to represent the culture conscious of the community.

Joining the Florida State Board of Health with their addition to the Exposition will be the Dental Society, the Heart Association, The American Cancer Society, The Abilitation Center, The Palm Beach County Health Society and the Visiting Nurses. As in past years, Palm Beach County Health X-Ray trailer will be on hand to offer free X-rays.

There will be a comprehensive display of appliance put on show by the Electrical Association of the Palm Beaches, which will outline the latest improvements to facilitate the work of home-makers.

For the sportsman an assembly of boats and motors will be on show in the Outdoor living tent. Here will be seen a wide variety in sports gear, camping equipment, cycles, motor cycles, fishing equipment and the necessary items for a Florida holiday and outdoor life.

'They're Heavy, Daddy!'

C. J. LeGarde, Asst. Eng. Florida Sugar, displays his catch to his son Mike and daughter, Josephine.

The large one, it is reported weighed nearly eight lbs.—the others averaged around three to five. (We failed to help down the action report made by Mike as to weights; so these are as remembered.)

Anyhow, this is a good day's catch, for a holiday's fun.

Controllor Green Announces Entrance For Another Term

State Controllor Ray E. Green today announced his candidacy for re-election.

Green, the 24th Controllor of Florida, also said that his son-in-law, John A. Madigan, Jr., prominent Tallahassee Attorney, would again serve as his state campaign chairman.

Tom Humphreys, executive vice president of the Tallahassee Bank & Trust Company, will serve as treasurer. The Tallahassee Bank & Trust Company, will be the depository.

The Controllor said the changes brought about in Florida by the tremendous growth of the state during the last ten years, calls for experienced leadership in state government to meet the ever increasing new challenges.

"There is no substitute for experience and performance in business or government," Green said. "Both are vital in developing a state which meets the demands produced by growth, and the increase in requests for services by the consumer and the taxpayer."

"The experience I have gained during my 21 years in private business and 23 years in government is proving more valuable each year in my contribution to better government and in serving the people of Florida. I started my political career as mayor of Clearwater in 1925. After serving for two unopposed terms, I became Clerk of Pinellas County Circuit Court. I served in that capacity through 1948, and in 1948 was appointed assistant state comptroller, and subsequently became comptroller."

"The responsibilities of the office of comptroller require an administrator, who not only carries out the mandates of the laws passed by the Florida Legislature, but who also through experience, implements those laws with programs to protect the consumer public and the taxpayer."

"I have always pursued a pay-as-you-go philosophy in spending the taxpayers' money and certainly have no intentions of changing now. I believe the expenditure of funds should be based on the service it will render the public."

The Controllor, who also is Commissioner of Banking, has a multitude of activities. He serves on 19 commissions and boards. He is the key member

engine.

All kinds of races are scheduled to take place at the Fair an all star Auto Daredevil Thrill show will take place Saturday the 25th and Friday the 31st at 7:30. Motorcycle Scramble Races and various classes of motorcycled stock car races on Sunday. Trials at 1 p. m. races at 2:30.

Also in the race category are the Bicycle Championships which will be held on Saturday with many classes of entries including speed, novelty costume and relay.

Among the other competitions are scheduled Horsebow pinning and an Amateurs Photographic contest for which ribbon and cash awards are to be had.

High school Bands are scheduled to play concerts in the evenings for those who love a band. The bands will come from Palm Beach County and outlying districts, including Rossmore High, Riviera, Lake Shore and Belle Glade. They will play between 7:30 and 8:30 p. m.

Mrs. Luther Jones To Present Program On European Gardens

The South Bay Garden Club will meet on Monday evening January 27 at 8:00 p. m. at the Educational Building of the First Baptist Church.

Mrs. Luther Jones of Belle Glade will present the program on "Garden Club Tour of Europe." Pictures of the beautiful gardens of Europe which she visited will also be shown along with the talk on Europe.

Mrs. Bebe Denton and Mrs. Laura Willis will be serving as hostesses for the evening.

Mrs. H. C. Willis, Garden Club president announces that all members and visitors are encouraged to come and enjoy this program.

Let us open our affections to the Principle that moves all in harmony—from the falling of a sparrow to the rolling of a world.

—Mary Baker Eddy

Doctors Say "No" Buyers Don't Hear

During the month of November the South Bay Garden Club will meet on Monday evening January 27 at 8:00 p. m. at the Educational Building of the First Baptist Church.

A MESSAGE OF
APPRECIATION
FROM THE
FLORIDA EAST COAST RAILWAY COMPANY

Today marks the first year's anniversary of the strike on the Florida East Coast Railway. It was indeed regrettable that the public, the shippers and the receivers of freight were so adversely affected at the beginning of the strike, but it is most gratifying to the Management of the Railway that we have now been able to restore freight service to everyone who desires and needs this rail transportation.

Reflecting back over this year, we are not unmindful of the hardships and difficulties the public and the shippers have encountered. We would therefore, like to express appreciation to our shippers and receivers for their forbearance and cooperation during the past year, and for their continued use of the F. E. C. We would also like to take this opportunity to assure the public and all of our shippers that the Railway can and will continue the service they rely not only in the perishable producing areas on the line but throughout the entire Florida East Coast System.

THE MANAGEMENT AND BOARD OF DIRECTORS
FLORIDA EAST COAST RAILWAY COMPANY
ST. AUGUSTINE, FLORIDA

You'll Treasure the pleasure of
OUTDOOR LIGHTING

Outdoor Lighting makes your terrace, patio and garden part of your home after dark... gives you more living space and more hours of enjoyment. It sets the mood for fun and entertainment... creates dramatic contrasts and beautiful effects in your garden.

Electric Post Lights at driveway or home entrance are especially desirable for safety and protection. They brightly welcome your guests and discourage trespassers. New models are available with a "magic eye" that automatically turns light ON at dusk, OFF at dawn—whether you're home or away.

Lights for outdoor living are easy to install, surprisingly low in cost. See the fine selection at your favorite electrical contractor or lighting store.

ASK FOR FREE BOOKLET: "OUTDOOR LIGHTING"
Full of ideas to help you in planning for more fun, beauty and safety.

The bride-elect attends Belle Glade High School as a senior and is a D. C. T. student em.

Exhibitors To Show New Fashions

The latest fashions from the cutting tables of over 600 of the nation's leading women's apparel manufacturers will be on display at the annual Spring & Summer Market of the South-eastern Apparels, which will get under way at the Miami Beach Convention Hall, Sunday, January 26, at 9 a. m.

Planning to attend from Belle Glade are Mr. and Mrs. Jack Kaufman, Mr. and Mrs. Joe Kahn, Mr. and Mrs. Dave Lee, Mr. and Mrs. Bernice Lee, Mr. and Mrs. Al Kahn.

Spring Fashions Will Highlight Fla. State Fair

A display of fashion modern as tomorrow, geared to Florida living, will be a highlight of this year's Florida State Fair in Tampa, February 4-15.

In the "Women's World" an entirely new concept in Fair attractions, visitors will see their first big concentration of 1964 spring fashions on parade in four daily fashion shows. The accent will be on new fabrics and striking color combinations. Stretch fabrics are all-important and in the spring fashion picture at the "Women's World" they will prove their versatility and wearability in afternoon and evening costumes as well as sportswear.

The new use of "whipped cream" will be played up by showing how the fabric lends itself to dyes and printing that made the expensive upkeep of pleated costumes a thing of the past.

One daily fashion show will be devoted exclusively to the new spring home sewing patterns.

All of the 29 or 30 garments in each fashion show will be completely accessorized in exciting combinations of color, leather and fabric, never matching, but balanced or in striking contrast such as orange with pink.

Other fashion notes of interest to visitors will be the new military feeling in navy blue. These include black and white combinations with one or the other predominant. The prevalence of the Chanel look is being noted in little pockets, buttons, braided collars or double-breasted jackets. Brilliant colors, some Mexican in feeling (jackets with a crystal ball, and the use of many bright colors, such as turquoise blue and sun yellow, will be accentuated.

Woman's Club Benefit Games Party Jan. 30

A benefit card party is planned by the Woman's Club of Belle Glade at the Civic Center Thursday, Jan. 30 beginning at 1:30 p. m. Individual prizes for each table will be given as well as door prizes.

Tickets may be obtained at the door or by calling Mrs. S. N. Knight, chairman or one of the following hostesses: Mrs. Guy D. Wood, Jr., Mrs. Emmett Harris, Mrs. Milton Barry, Mrs. L. S. Amerine, Mrs. John Whittemore.

Those wishing to attend may play bridge, Canasta, Ma' Jong and should get up their tables. The club is sponsoring the financial support of an Indian girl, Shirley Mouse, 16, of Colcord, Oklahoma as their project this year and the proceeds of this party will go toward her support.

Mrs. J. D. Lee, III

Feted At Stork Show

Mrs. J. D. Lee, III, of Belle Glade was honored at a stork show given recently at the home of Mrs. Lois LaBerry in Cleveland. Co-hostesses were Mrs. T. C. Yon, Jr., Mrs. T. C. Yon, Sr., and Mrs. Walker P. Nall, Sr.

The storking room and refreshment table was decorated with pink hibiscus. Guests attending were Mrs. J. D. Lee, Jr., and Mrs. Linda Pearce, Mrs. Wilmer Hayes, Mrs. E. Lee, Mrs. Jerry McKee and Mrs. P. Kirschman all of Belle Glade; Mrs. James McDuffie, Mrs. James Maxham, Mrs. Ray Clark, Mrs. Virginia Robison, Mrs. Roy Hancock, Mrs. R. L. Pearce, Mrs. William Hayes, Mrs. James Newton, Mrs. Mildred Wood, Mrs. Charlie Fox, Mrs. Leon Benberry, all of Cleveland.

A June wedding is being planned.

Anderson Brothers Celebrate Birthdays

Mr. and Mrs. Bill Anderson entertained their son, Chuck, on the occasion of his 7th birthday, Jan. 15, with a party at McDonald Park Shelter.

The birthday cake was adorned with 11 candles as Chuck shared honors with his brother Bill who was celebrating his 4th birthday.

The children enjoyed pinning "oil on donkey" and a dart game. Winning prizes were Robert Ellis and Mike Haddon.

Refreshments of ice cream, cake, mints and Pepsi-Cola were served along with bubble gum and favors of birthday balloons.

Helping Mrs. Anderson with games and refreshments was Mrs. Louise Ellis.

Guest included Forrest Egleston, Dalton Davis, Mike Haddon, Jerry Morris, Wayne Smith, Carl, Christopher Chishelm, Bill Baker, Clark Bass, Robert Ellis, Bill Anderson, Linda Anderson, Mike Armstrong, Joey Trammell, Benny Joe Penson.

Sorority Chapter Has Dinner Party

Xi Beta Gamma Chapter members of Beta Sigma Phi had a dinner at the Palm Club Saturday, Jan. 17.

Mrs. Bill Graber furnished a cake in honor of her husband's birthday. Contemporary cards were presented to Bill and these he read for all to enjoy.

Those attending were Mr. and Mrs. Bill Graber, Mr. and Mrs. Eddie Jones, Mr. and Mrs. Louise Kirschman, Mr. and Mrs. Frank Anderson, Mr. and Mrs. Earl Lindrose, Mr. and Mrs. Chas. Burkett, Mr. and Mrs. Neil DePamphilis, Mr. and Mrs. O. G. McWhorter, Mr. and Mrs. Bill Burke and Mr. and Mrs. Francis Cross.

CARD OF THANKS

We the surviving family and relatives of Laura Frances Cobb wish to thank our friends who have been so many in our time of sorrow, for their kindness and sympathy that they have so freely given to us.

We wish to thank all the individuals and organizations for the food and the many who came and helped us at our home.

Bette Hall To Wed Herbert J. Martin

BETTE A. LYLL HALL
Mr. and Mrs. Clarence C. private secretary and stenotype operator, with Allen, Jones and Mathews, law firm.

The bride-groom elect is a graduate of Belle Glade High School class of 1961 and has recently received his discharge from the U. S. Army. He is employed by the Gulf Life Insurance Company.

The wedding has been set for Feb. 15 at the First Baptist Church, South Bay.

Beta Xi Chapter Bridge Luncheon At Night Home

Mrs. Sam Knight was hostess at a bridge pot luck luncheon on Friday, Jan. 17 at her lovely home on Indian Mound. Members and guests enjoyed a delightful luncheon of congealed fruit and vegetable salads.

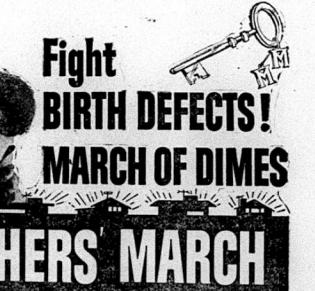

Guests playing bridge and canasta were: Mrs. Roy Brown, and Mrs. Joe Baker. Members included Mrs. Davis Kichlighter, Mrs. Harold McKee, Mrs. Will Iams, J. Miller, Mrs. Vivian Miller, Mrs. Louise Rhodes, Mrs. Mable Waggoner, Mrs. Howard Hill, Mrs. Lois Davis, Mrs. John Grady, Mrs. Al Weber, Mrs. James Dooley, Mrs. Alvaro Sanchez, Mrs. Edward Montalvo.

Other members joining in for the luncheon were Mrs. Harold Gilbert, Mrs. Ronald Cameron, Mrs. Pete LaChance and Mrs. Douglas Lee.

The doctor noticed that the patient's hands kept shaking during the physical exam.

"You drink a lot, don't you?" the doctor said.

"No sir," the patient said. "I spill most of it!"

Fight BIRTH DEFECTS! MARCH OF DIMES MOTHERS MARCH

Hundreds of volunteers — mothers, fathers and teenagers — will take to the streets January 30 in a county-wide Mothers March campaign to raise funds for the March of Dimes.

O. E. S. Elects New Officers

The election of officers for the coming year was held at the regular meeting of the Belle Glade Chapter No. 197, Order of Eastern Star Thursday evening.

The following officers were elected: Worthy Matron, Mrs. Donald Asper; Worthy Patron, Mrs. Mary McDaniel; Associate Matron, Mrs. W. L. Norris; Associate Patron, Y. L. Norris; Conductress, Mrs. Ray Brown; Associate conductress, Mrs. Ruth Williams; Sentinel Ray Brown; Mrs. Fred Simmons Treasurer; Mrs. Robert J. Allen, secretary.

Four members from the Sugarland Chapter were welcomed.

Announcement was made installation of officers will be conducted Feb. 7 at 3 o'clock at the Masonic Hall.

The refreshment committee composed of Mrs. Dorothy Scarborough, Mrs. Mary McDaniel and Mr. and Mrs. D. B. Mathis served refreshments at the close of the meeting.

The next meeting will be Feb. 6.

"Home Lighting" Topic Of HD Club

A program on "Home Lighting" was presented by Miss June Street of West Palm Beach, assistant Home Demonstration Agent at the regular meeting of the Belle Glade Home Demonstration Club on Jan. 16 at the Community Clubhouse.

The talk was most informative, on proper lighting in the home which she demonstrated, including lighting providing comfort for the eyes and also for decorative purposes.

During the business meeting with Mrs. F. C. Essenden, president, presiding, a discussion was conducted on projects for the new year.

Mrs. Stuart B. Fuller, a new member was elected to fill the post of secretary-treasurer, vacated by Mrs. Milton Giese. Other new members in the club are Mrs. N. E. Gaskell, Mrs. Modison W. Sindle and Mrs. J. P. Halbrook.

Anyone interested in becoming a member of the club or would like to attend is invited to the next meeting on Thursday, Feb. 20 at the Community Clubhouse on McDonald Park 10 to 12 noon. The club especially would like the young homemakers to come to the meeting.

Two Cousins Plan Double Wedding

Mr. and Mrs. Fred Parson announce the engagement and approaching marriage of their daughter Ruby Vernice, to Jerry Bradley, son of Mr. and Mrs. E. A. Bradley.

The two couples will be married in a double ceremony Feb. 8 at 7 p. m. at the North-side Baptist Chapel with Rev. Pounce officiating.

I never did anything worth doing by accident, nor did any of my inventions come by accident.

— Thomas A. Edison

The Harvest is Plentiful. The Labourers are Few

—into the vine and to the branches. Separated from the vine the branch becomes dead wood. We boast of our strength and the part we play but oh, how dependent on God we really are. The physical body must have goods we cannot get except they come from God . . . air, food, water, companionship and even wealth. It is all part of a living universe, by itself all of this would be dead wood. The Christian without Christ becomes fruitless . . . dead. The human is nothing apart from the divine. God not only created life, He also sustains it. Our health, strength, success are all God's gift. Better Elton Maltz, long enough to give Him credit. Without Him we can do nothing.

WHEN THE FLORIDA GAME AND FRESH WATER FISH COMMISSION released 46 wild hogs, weighing 3,985 pounds on the \$2,000 acre wild life management area in western Palm Beach county, they asked a long-time legislative preparation for Jerry Thomas to observe the putting of these untamed animals into the preserve in preparation for the hunting season next November. It turned out Thomas was more than an observer as he tested the average of one of the wild hogs taken from a ranch in Oklawaha. The experience was one Thomas said he would not seek as a daily routine.

The Commission also has released the first five wild turkeys into the J. W. Corbett Area and more turkeys will follow, as the Game Management Division training program progresses. It was stated.

Hunters are reminded that while the Commission's Wildlife Management Areas are now closed to hunting, quail and squirrel season is still open throughout the State until February 23.

State Representative, Jerry Thomas announced his candidacy Wednesday evening for the 25th senatorial district. This district, which encompasses all of Palm Beach County, is presently represented by Senator Ralph Blank, Jr., who earlier announced he was not seeking another term.

In his announcement, Thomas said, "Palm Beach County should have a man in the Senate who is resourceful, experienced and decisive. I would serve in the Senate the common sense approach I used in the House of Representatives during my two regular and three special legislative sessions."

Thomas served as Director and Administrator of the Florida Securities Commission from 1953-57 and served prior to that in the office of the State Treasurer in Tallahassee. As early as 1951 he served as an aide to the State Legislature.

During his first term in the Legislature, the members of the Senate and House voted Thomas the outstanding first term member of the House.

Citing some of his legislative accomplishments, Thomas said, "It was my privilege to introduce legislation to reduce the intangible tax from two mills to one mill. This legislation passed and this year the tax is one mill."

"My legislation placing a maximum that a municipality can charge on delinquent land taxes reduced penalties to our citizens this year in some areas as much as 13 percent."

"My stringent opposition to a sales tax on groceries and drugs helped delay such passage of legislation."

Thomas introduced the Student Loan Fund Act which was hailed as one of the most important pieces of legislation last year.

Thomas created a revolving fund which will permit qualified young people the opportunity to borrow money for college tuition at very reasonable terms. A method, without cost to our taxpayers, of helping promising young people realize their higher education who might otherwise not have this opportunity.

Thomas, a Captain in the Marine Corps Reserve, is a native of Palm Beach County and resides on Lake Park with his wife and five children.

Thomas is running in the state of delegates organized by Anthony Battaglia, Republican National Committeeman from the State of Florida, who resides in Saint Petersburg.

"The object of my candidacy for delegate is to be frankly open and above board in comparing the abilities and qualifications of the men who seek to become President of these free and United States."

Announcing... DRUGTAX

A SERVICE TO TAXPAYERS

Ever wish, at income tax time, that you had a complete record of every cent you spent for drugs and drug products throughout the year—and how much of it was legally deductible?

That kind of a record could save you money. And that kind of a record can now be yours, every year, absolutely free of charge.

This new service is called DrugTax. We're making it available to all of our customers immediately, free of charge, as another way of saying "thank you" for their patronage.

You would be surprised at the number of drug and medical supplies that can be of a deductible nature—items such as antiseptics, aspirin, cough and cold preparations, and hundreds of others.

Indeed, the American taxpayer has been losing billions of dollars annually because he hasn't been aware of how many drug items are legally deductible.

But you must be able to offer proof of purchase in order to claim such items in preparing your federal income tax return. And when you buy from us, you get that proof—in the form of an annual record, mailed in February.

Come in today and let us tell you more about DrugTax. And from now on, buy all of your drug and medical supplies from the store that gives you the free DrugTax record.

Opportunities At PB Junior College

Horticulture

A course in horticulture will be offered during the 1964 Spring Semester at Palm Beach Junior College according to Dr. Paul W. Graham, Director of Evening Classes. The class will be taught by Mr. Fred J. Holling, Jr. It will include a study of ornamental trees, shrubs and grasses and fruit trees in the development of a landscape plan for the home.

Those present were brought and presented to the mother and baby at the shower along with refreshments and games which were enjoyed by all.

Hostesses for the evening were Mrs. Jimmy Williams, Mrs. Louis Kelso, Mrs. James Martin, Mrs. Noel Campbell, Mrs. Marvin Burkett, and Mrs. Jessie Barnes.

Those present were Mrs. Howard Smith, grandmother of the baby; Miss Brenda Sue Kelley, Miss Luann Martin, Mrs. Lucy Pearl Cameron, Mrs. James A. Fenton, Mrs. W. M. Jeffries, Mrs. C. C. Willis, Mrs. Minnie Hester, Mrs. Doris Davis, Mrs. Floyd Wilder, Mrs. Jewel Partlan, Mrs. Edwin Leathlean, Mrs. Betty Motes, and Mrs. Reba Hodges.

The newest and most used

services at H-Haven Baptist Church Sunday afternoon.

Mrs. Marjorie LeFils of Belle Glade was Saturday dinner guest of Mr. and Mrs. C. A. Revels.

Mr. and Mrs. W. L. Smith from Miami Springs called in the Frank Robertson's Saturday afternoon.

Mrs. J. A. Henderson, Mrs. Y. E. Smith and Mrs. Doyle Worth of Clewiston spent Tuesday in West Palm Beach.

Mr. and Mrs. R. M. Easton and boys of Fort Lauderdale spent the weekend with Mrs. R. L. Saxton.

Mrs. J. D. Stacey of Bryant visited Mrs. K. B. Eldon and Mrs. Lester Gerrey on Thursday.

Those assisting in giving the Sabin Oral Polio Vaccine at the school house on Sunday announced that 479 had taken the vaccine. Those who did not take it on Sunday, are urged to get their first dose next Sunday.

Hours will be from 12 o'clock to 6 p. m.

Stetson Homecoming Dates Feb. 13 - 16th

Florida's oldest university, Stetson, will hold its Homecoming for alumni on the campus here Feb. 13-16. The theme for this 14th celebration, "Stetson Hits Its Stride," ties in with the University's special three-year program for raising funds to match its \$1.5 million grant from the Ford Foundation.

Highlight of the Stetson 1964 event will be the Founder's Day Convocation. Saturday morning which will honor the University's first graduates.

Homecoming begins Thursday with the registration desk in the Stetson Union open at 8:30 a. m. Registration also will be open from 8 a. m. to 5:30 p. m. on Friday and again at 7:30 a. m. Saturday; it will be handled by Green Circle, the opinion more men's leadership honorary.

Thursday evening at 8:30, Stetson Theatre will present "The Bold Soprano" by Eugene Ionesco, an explosively funny play. One critic called the plot an "assault on the banality of English suburbia." This show also will be presented on Friday and Saturday nights.

Fair Game For Lovers

At Palm Beach House Jan. 27th thru Feb. 1

In line with his plans to present some pre-Broadway try-outs each season, Frank J. Hale will next introduce at his Playhouse in Palm Beach a new comedy by Richard Dougherty, "Fair Game For Lovers," which will open on Monday, January 27th and run through Saturday, February 1st.

The stars are Leo Genn, Forrest Tucker and Maggie Hayes. They are supported by Alan Alda, Jane Hoffman, Ralph Bell and Sylvia Gassel. The production, directed by Paul Shyre, will also introduce a young actress by the name of Peggen Lawrence.

"Fair Game For Lovers" tells the story of an anxious father's (Leo Genn) concern over his young daughter, aged 18, who wants desperately to get married, and of his obvious reluctance to let her do so at such a young age.

Herbert Swope, Jr., is the producer of the show, settings, lightings and costumes are designed by famed New York designer, Ralph Alsberg and Mr. Swope's associate producer is Teresa Calabrese.

Tampa Fair Calendar Of Events

Tuesday, February 4 — FFA Team Poultry Judging; Parade of Dairy Champions.

Saturday, February 8 — FFA Team Judging — Dairy, Beef and Swine; Release of all Dairy Animals.

Monday, February 10 — Youth Beef Cattle Judging.

Tuesday, February 11 — Hereford and Angus Judging.

Wednesday, February 12 — Shorthorn, Santa Gertrudis and Charolais Judging; Quarter Horse Show Opening.

Thursday, February 13 — Brahman Judging; Parade of Beef Champions; Quarter Horse Show Judging; Hatter Class.

Friday, February 14 — 4-H Club Team Beef and Poultry Judging; Quarter Horse Show Judging; Performance class; Beef Cattle Judging and Type Seminar.

Saturday, February 15 — Cutting Horse Tournament; Release of Exhibits.

US Cattlemen Assn.

Meets In Memphis

A large delegation of Florida cattlemen is expected to participate at the 67th Annual convention of the American National Cattlemen's Association here Jan. 26-29 in a special salute to its retiring president, Cushman S. Radebaugh.

Radebaugh, of Orlando and Ft. Pierce, is the first southeastern rancher to head the national organization which has been in 44 states. He will complete a two-year term which found him traveling several hundred thousand miles in this country and to New Zealand and Australia. He was elected president at the association's 1962 convention in Tampa.

The Florida contingent, led by Ralph W. Cullen, Gainesville, president of the Florida Cattlemen's Association, will be joined by 1,500 ranchers and feeders of 40 states.

Also meeting in Memphis will be the American National CowBelles, service and social auxiliary, and the Junior American National Cattlemen's Association.

Among the Florida beefmakers serving their industry on national boards and standing committees are J. O. Pearce, Jr., Okeechobee; W. D. Roberts, Immokalee; Thomas L. Sloan, Alto Adams, and Cushman S. Radebaugh, Jr., Ft. Pierce; Elliott Whitehurst, Wiliston.

And Gerald Cuyon, Blountstown; R. D. Bennett, Greenwood; J. W. Lowrey, Panama City; S. L. Crochet, Clewiston; and Ray Rasterson, Pahokee.

CHEVELLE! by Chevrolet

One of the things you'll like best about it is 11 models to choose from.

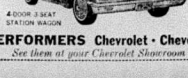

MALIBU S.S. SERIES

These two Super Sport models are Chevelle's finest. Front bucket seats, door-to-door carpeting and an all-weather interior in seven colors. A wide choice of transmissions and extra-high-performance engines. Plus a whole host of other options.

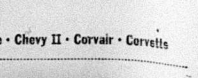

MALIBU SERIES

Chevelle's middle-of-the-line series, the Malibu, retains many features found in the two Super Sport models. Like all Chevelles, it's a good foot shorter than big cars, making it easy to park and handle. Yet inside it's surprisingly spacious and comfortable.

300 SERIES

Chevelle's most economical series—but don't let its gentle price tag fool you. The 300 has all Chevrolet's traditional value and reliability. Full Coil suspension. Body by Fisher. Flush-and-dry rocker panels. Your Chevy dealer will tell you all the rest.

THE GREAT HIGHWAY PERFORMERS Chevrolet • Chevelle • Chevy II • Corvair • Corvettes

GLADES CHEVROLET COMPANY

209 So. Main St.

Belle Glade, Fla.

Phone WY 6-2097

The Belle Glade Athletic Association commended these Belle Glade High School Coaches for their fine work this year at the Annual Football Banquet: 1-r Coach Davis, head of Athletic Dept., Coach Othar Crawford, line coach; Coach Bill Burke, head coach.

The most valuable player award went to Roy Hayes, 1-r and Charles Thompson, because both were deserving players. These trophies were presented by George Scarborough.

Well, I've Got Homework Too!

Jim: Hey, Joe, you coming to the meeting tonight?

Joe: No, I don't think so. I've got an awful lot of homework.

Jim: Well, I've got homework too. You can do it I can.

Joe: Oh, I don't know. I've got basketball practice too. I'll try to be there.

Jim: Please try to come. I need your support. (to himself): Sure you got home work.

I do too. Who doesn't? What makes you think I'll have more time than you to get it done?

I guess all club presidents and leaders are supposed to be super brains and have all the time in the world to do nothing but work for the club. Sometimes I wish the club didn't even exist.

It sure would be fun every Wednesday night to stay home and watch TV, but no there is always the meeting to go to. I guess I don't really mind the meetings so much, it's just all the complaints that get me.

How kids would realize that I am human too then it would really be easier. No, all club presidents are supposed to be super human and be nice to everyone who gripes to them.

Well only a few more months and I'll be through with the whole business.

Moral: Be a little more considerate of your president no matter what club it is. They work hard and need all the support you can give them. Say: "Yes, I'll do it" the next time he asks you to do something.

If you put your mind to it you can have it done just that much faster.

—Mismet

From The Faculty School Spirit

Suncoast Conference Champions in 1962 and Co-Champs in 1963! School spirit is great! The "unbeaten-for-twenty-three straight-games" Rams football team had a fantastic amount of backing during the great season. Belle Glade High School students, faculty, and supporters chanted happily, "We're from Belle Glade and couldn't be prouder..." Stadium bleachers were filled to overflowing at all home and away games. There was a constant air of felicity and exhilaration from September until the end of November.

In December our basketball team met its first opponent with hardly enough supporters to do a decent "two-bits" yell. So it has gone for the entire season. The enthusiasm of Rams' fans has apparently dwindled to practically nothing.

Of course our basketball record does not look nearly as impressive as did the football record. Are we "fair weather" fans? Do we think of loyalty to our school and to our coaches, or do we depend on victories to merit our support? Can we show good sportsmanship after a loss or must we ruin our ego-seeking personalities may be satisfied?

Someone has said (and we should take heed) "Win as if you are used to it; lose as if you enjoy it for a change."

By Jan Bottoms

Debating Team Places Third

The B. G. H. S. Debating Team, coached by Mr. J. V. Kela, placed third among five teams at the Palm Beach County Debating Meet, held at Palm Beach High School last Saturday afternoon. The topic of discussion was "Resolved: Social Security benefits should be extended to cover complete medical care." Lake Worth placed first and Riviera Beach second. The other two schools were Palm Beach and Forest Hill.

Each school was divided into two teams, Varsity and "B" team, which were divided into Affirmative and Negative. On the Varsity team were the following Affirmative Irene Ashlee and Mickey McKee; Negative Dick Willis and Ron Halbrook. On the "B" team: Affirmative Susan Kela and Nan Ray; Negative Evelyn Harris and Henry Molina.

Yes and No—and WHY! The Affirmative sought to prove there is a dire need to extend Social Security benefits. Some teams contended that this extension should more completely cover those over 65, whereas other Affirmative teams thought the extension should cover every citizen from cradle to grave. They then proceeded to offer a plan to meet the need they felt existed; they also gave evidence to show their particular plan was both desirable and practical.

The Negative strove to show there was NO extreme need, and what needs have existed are being met through existing local, state, and federal programs or through plans provided by free enterprise. According to their position, there was no substantial need to warrant further legislation; they also contended that the Affirmative's plan of suggested legislation was wasteful, needless, undesirable, and impractical.

Each team gave facts and logic to show that the other team held a faulty position and presented evidence as to why the judges should concur with their position.

Have You Ever Wondered?

Why ten minute breaks last only nine minutes?

Why sixth period on Friday is always so long?

Why we have semester tests? Why they can't paint the rooms during the summer? Why it always rains on weekends?

Why the bell rings at 3:09? Why Billie Graber isn't the class pet?

Why Janet Hotard sings the F. H. A. song?

Why Mr. Hayes says "Oh yes," instead of "Oh no?"

Why Mr. Painter makes you fold paper in his room?

Why they can't mow the school yard on Saturday?

Why the bell rings at 3:09?

Why the bell rings at 3:09?

Why the bell rings at 3:09?

Why the bell rings at 3:09?

This Is Beta!

An interesting program was presented by the Beta Club on Wednesday January 15, to the new members. Those participating in presenting the purpose of the Beta Club were Charles Thompson, John Causey, Lynda Long and Mickey McKee.

The meaning of the Beta Club, the new members took the oath.

Those initiated were: Brenda Keller, Sherry Knight, Linda Hollingsworth, Glenn Wolff, Jill Chapman, Brenda Bass, Joyce Kirchman, Ivan Willis, Kathy Ferguson, Cheryl Stone, Karen Harris, Jane Wiereng, Libby White, Tony Latour, Mary Kate Ponder, Eleanor Collier, Janice White, Adrian Boes, Gail Toole, Eddie Haines, Ellen Keesee, Tommy Brown, Diane Davis, Ofelia Sanchez, Vic Venos, Connie Bacon, Petie Parrish, Jo Vickers, Jimmy Jackson, Kenneth Knapp.

The Beta Club is proud to have such a fine group of new members.

Attention Science Club

The Science Club shall meet Thursday nights instead of the previously planned Wednesday nights at 7:30 in the School Library. All members and other students wishing to do research work on their projects for the upcoming Science Fair please attend! Projects have to be completed before March 24.

Rams Victory

In a basketball game on the Ft. Pierce home court Tuesday night, Jan. 14 Belle Glade gained a victory. Tony Latour was the high point man for this exciting evening, shooting in a total of 18 points. Don Wilkerson and Charles Thompson followed him, scoring 14 points each.

It was a close game all the way, but the Rams turned out the victors with a final score of 63 to 59. Congratulations, boys, for a job well done. The student body is urged to stand behind this fine team by attending all their games.

Paradise

Beef Cattle Short Course At U. of Fla. May 7-9th

University of Florida Animal Science Head T. J. Cunha has announced the dates for this year's Beef Cattle Short Course as May 7-9.

Dr. Cunha has a program scheduled which will cover every phase of the beef industry from income tax problems, marketing, and beef imports to feeding and disease control.

The state of outstanding speakers scheduled for the short course include Louis M. Smith, director of the Foreign Agricultural Services' Livestock and Livestock Products Division.

Since 1929, Florida's beef industry has climbed from a one-half million to a 67 million dollar business.

Belle Glade Wins Again

The Rams won another big game Friday, Jan. 17 when they played Pahokee on the Blue Devil's home court. The Blue Devils led at the first quarter, but the Rams came from behind to be 9 points in the lead.

After the half, Pahokee came within 3 points of the mighty Rams but couldn't catch up. The Rams came out the winners with a final score of 34 to 49. The high point man for the game was Tony Latour with 21 points. Charles Thompson was next in scoring with 16 points.

Interact In Action

On Jan. 16 the Interact Club met to discuss the plan for an upcoming faculty vs. varsity basketball game. Half of the proceeds from this game will be donated to the faculty scholarship fund. The Club is also planning to have a little basketball game with the Interact Club of Palm Beach High. We can be looking forward to some good sportsmanship from these two events.

The members of the Interact Club would like to thank the entire school personnel for their help in creating the Interact Club of Belle Glade.

—Your Library—

Does your interest in current events stumble to a halt with the 11 pm news? Your library help to stimulate, or satisfy your curiosity about the happenings on page one, and the Huntley-Binkley Report. Here are some books made timely by events in the headlines.

Vietnam Diary. Richard Tregaskis.

This is an original, the first eyewitness report on the combat Vietnam. It is a keen description of one of this world's hot spots. There are 14,000 Americans there, on the spot, a group of singularly committed men. The jobs to which they devote their lives for a tour's duration, become personal to them. If they go under, we go under," as one Captain puts it.

The Americans are leaders and advisors, and, inevitably, participants. It is a cooperative operation. One Air Force officer, with a remarkable degree of respect, comments that "The Marines are good boys." The author has always found them that way, too, as his famous GUADALCANAL DIARY verifies. This is the first concentrated effort on the part of the U. S. to back guerrillas, a precedent-setting operation, and the first book of the venture is revealing.

Adventures in the Holy Land. Norman Vincent Peale.

As tremors of an ecumenical movement focus interest on the Holy Land, this quiet, chatty book, by a leading Protestant clergyman, on a pilgrimage, proves a timely traveling companion. An ordinary tourist, in a sports shirt, he moves with his family from one sacred spot to another, along streets with centuries-old indentations. He tells his impressions as he goes.

He describes the diverse crowds, the terrain, the climate and the atmosphere which envelop the pilgrim. The result is a simple, non-theological book, with a direct personal involvement that is appealing and honest. The photographs, some by the author, are well selected.

The American Way of Death. Jessica Mitford.

The Library has a copy of this much discussed book on its shelves, one which has aroused more sensational interest than SILENT SPRING (on pesticides) did last year. All sides of controversial questions need to be represented in a scrupulous, well-balanced library collection. We are, therefore, trying to gather publications, and articles, which present opinions counter to the ones presented in these two best sellers. Contributions, anyone?

Our Thanks to You

TO OUR CUSTOMERS: At the turn of the year, we pause to say "THANK YOU." Your loyalty and confidence makes our progress possible.

FLORIDA NATIONAL BANK

Florida National Bank is proud to have such a fine group of new members.

Gossiping Gandy

During these semester tests we see that the social life of B. G. H. S. hasn't changed to any great extent. Susan W. who was that nice-looking Dutch boy with you at the Bowling Alley last Friday night?

Speaking of the Bowling Alley, some of the senior girls were monopolizing a table in the restaurant — have fun?

Evelyn H., why are you always getting so excited? Take it easy. Life won't be so easy at C. N. next year.

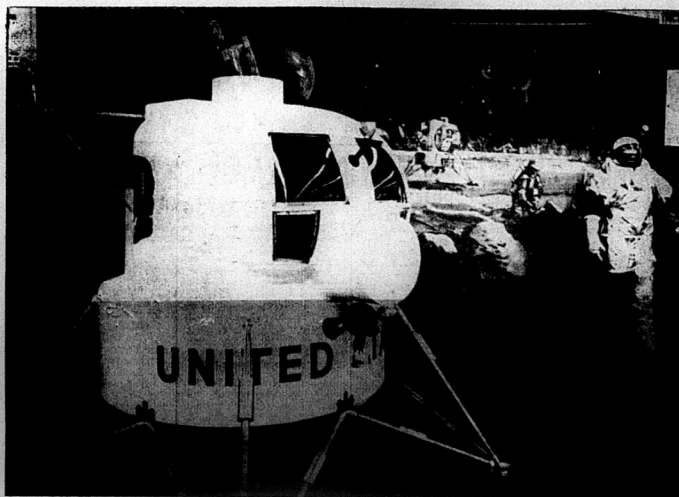

Don C., do you always spill cokes on your dates? How was it Chetty?

Mrs. Hill, could we have your autograph? Has Hollywood called yet?

Margie T. seems to be keeping the telephone wires quite busy from here to Maryland. What about it, Townsend?

Did everyone drink their SOS Sunday? We surely do hope so, for it was most important. Congratulations to the debate team. They came in third in the overall county contest.

MOONSHOT CAPSULE TO BE ON SHOW at the 1964 South Florida Fair January 24 through February 1. The Capsule with an astronaut space suit is to be lent as a service by Hamilton Standard of United Aircraft. This display, which is to be seen in a breathtaking reconstruction of the moon's surface will be one of several models of the latest in the country's space program. Also represented will be the United States Aeronautic and Space Administration, Pratt & Whitney, Sikorsky and Norden.

Page 10 THE HERALD, Belle Glade, Florida JAN. 23, 1964

Doug's City Barbers Give Good trimming

Doug's City Barbers took 4 points from Lindsey Lumber Company Thursday night in the Badcock Furniture Handicap League. Junior Meadows 234-213-625 was high for the barber boys. Mullen's Office Supply topped Carither Radio & TV 4-9 with W. O. Prescott leading the way for Mullen's team with a 238 - 602. Homer Hand and Bill Graber tossed in a couple of 196's to help their team win all four.

Geneva's Drive-in continues to lead the pack beating Angel Brothers 3-1. Bill Elliott's 520 and Clarence Throop's 205 were high for Geneva's. Ron Ter-Har rolled a 534 for Angel Brothers to help his team win the lone point. Echols Plumbing-Richmond Plumbing tied 2-2.

Joe Leavitt's 210-581 was high for Richmond. Benny Richmond had 214-568. Bill Robinson's 201-538 was high for Anderson's Gulf Team.

W. O. Prescott won the free hair-cut, compliments of Doug's City Barbers with a fine 238 game. Good Bowling W. O.

Teen Mixed League
In first place is The Four Aces with 36 and one-half pts. The Pros second place with 34 pts. The Four Aces won high team set 1709 and high team game 599. High individual game and set was won by Tommy Broome with a 223 . . . 537. High Girl's game was won by Gail Parker with 145 and high set 326 by Pat Weathers.

Gator League

Outstanding Fungus Control !

Dyrene effectively combats early blight, late blight and Rhizoctonia . . . Greatly Increases Celery Yields . . . Upgrades Quality

Dyrene is so effective that significant increases in both crop quality and yields usually result from its use. In 6 years of cooperative research and commercial use, Dyrene has proved its outstanding

control of the important fungus diseases that attack celery. Growers from every important celery area of the country report substantial increases in yield over fields treated with conventional fungicides. Dyrene will not harm foliage . . . does not affect flavor or odor . . . leaves no harmful residue. For finer celery and more of it, use Dyrene. It works! At your farm supply dealers.

Reg. U. S. and Canadian Pat. Off. by International Celery & G. Chemagro Corporation licensees.

1215, 1216, 1217, 1218, 1219, 1220, 1221, 1222, 1223, 1224, 1225, 1226, 1227, 1228, 1229, 1230, 1231, 1232, 1233, 1234, 1235, 1236, 1237, 1238, 1239, 1240, 1241, 1242, 1243, 1244, 1245, 1246, 1247, 1248, 1249, 1250, 1251, 1252, 1253, 1254, 1255, 1256, 1257, 1258, 1259, 1260, 1261, 1262, 1263, 1264, 1265, 1266, 1267, 1268, 1269, 1270, 1271, 1272, 1273, 1274, 1275, 1276, 1277, 1278, 1279, 1280, 1281, 1282, 1283, 1284, 1285, 1286, 1287, 1288, 1289, 1290, 1291, 1292, 1293, 1294, 1295, 1296, 1297, 1298, 1299, 1300, 1301, 1302, 1303, 1304

Florida grower applies Phosdrin to control a late-season buildup of aphids and mites attacking an 82-acre field of tomatoes.

Pickers harvest the same field the following day. No Phosdrin residue remains to endanger either the pickers or the crop.

Why Palm Beach County vegetable growers should switch to Phosdrin® Insecticide now:

Apply Phosdrin up to 24 hours from harvest of most vegetables. Get fast control of insects without residue problems.

POWERFUL Phosdrin Insecticide gives you fast knockdown and kill of aphids, mites, loopers, worms—almost all destructive pests attacking Florida vegetable crops. Unlike most other insecticides, Phosdrin disappears after it does its job, leaves no residue. That's why it can be applied up to 24 hours from harvest on many crops—up

to 72 hours on most others. (See table below for interval data for your crops.)

Solves late-season problems

If not controlled, a late-season insect buildup can quickly downgrade—or make completely unsalable—crops such as tomatoes, beans, potatoes, peppers, celery, watermelons, eggplants and most leafy vegetables.

If the insect infestation is controlled with an insecticide that leaves excess residue on your vegetables at harvest, processors will turn down the crop. Also, it will be subject to compaction. Many vegetable growers are now solving both insect problems and insecticide-residue problems with Phosdrin Insecticide.

Phosdrin solves other problems, too. It controls insects such as cabbage loopers and aphids that are becoming harder to kill with older insecticides. Result: more and more growers are making Phosdrin a basic part of their full-season programs.

Good mixer

Phosdrin is compatible with most other insecticides and fungicides. And Phosdrin offers a wide margin of safety to the leaves and fruit of insecticide-sensitive crops such as cucumbers and lettuce.

Low cost

Don't be misled by the cost per pound or gallon of Phosdrin. A little Phosdrin goes a long way. For ex-

ample, as little as $\frac{1}{4}$ to $\frac{1}{16}$ of a pound per acre is all it takes to control the toughest insects attacking most vegetables. Dosage rates seldom exceed $\frac{1}{4}$ of a pound per acre. In short, if you compare costs on a per acre basis, you'll find Phosdrin is very economical.

Where to get Phosdrin

Phosdrin is available from your local insecticide dealer under many well-known brand names. It comes in liquid and dust formulations that are easy to apply with standard application equipment.

Remember, look for the name Phosdrin on the label or in the ingredient statement. Shell Chemical Company, Agricultural Chemicals Division, 55 Marietta Street, N.W., Atlanta 3, Georgia.

PHOSDRIN® INSECTICIDE GROWERS' GUIDE					
CROP	INSECT	INTERVAL	CROP	INSECT	INTERVAL
Beans	Aphids, Mites, Leafhoppers, Grasshoppers, Mexican bean beetle	1 day	Squash	Aphids, Mites, Diterous leafminer (adult), Lygus bugs, Salt marsh caterpillar, Leafhoppers, Cabbage looper, Cutworm (climbing)	1 day
Breets, Garden (lima, fava)	Aphids, Mites, Cabbage looper, Cutworms (climbing), Diterous leafminer (adult), False chinch bug, Grasshoppers, Imported cabbageworm, Leafhopper, Salt marsh caterpillar	3 days	Celery	Aphids, Mites, Diterous leafminer (adult), Lygus bugs, Salt marsh caterpillar, Leafhoppers, Cabbage looper	3 days
Broadleaf, Cabbage	Aphids, Mites, Cabbage looper, Imported cabbageworm, Leafhoppers, Salt marsh caterpillar, Cutworms (climbing), Diterous leafminer (adult), Grasshopper, Lygus bugs	1 day	Cucumbers, Tomatoes	Aphids, Mites, Leafhoppers, Grasshoppers	1 day
Brussels Sprouts, Cauliflower, Collards, Kale	Aphids, Mites, Cabbage looper, Corn caterpillar, Cutworms (climbing), Diterous leafminer (adult), Imported cabbageworm, Grasshoppers, Leafhopper, Lygus bugs, Salt marsh caterpillar, False chinch bug	2 days	Eggplant, Peppers	Aphids, Mites, Grasshoppers, Leafhoppers	2 days
Lettuce	Aphids, Mites, Cabbage looper, Corn caterpillar, Cutworms (climbing), Diterous leafminer (adult), Imported cabbageworm, Grasshoppers, Leafhopper, Lygus bugs, Salt marsh caterpillar, False chinch bug	2 days	Brussels Sprouts, Cauliflower, Collards, Kale	Aphids, Mites, Cabbage looper, Imported cabbageworm, Salt marsh caterpillar, Cutworms (climbing), Diterous leafminer (adult), Lygus bugs, Grasshoppers, Leafhoppers	3 days
			Strawberries	Aphids, Mites, Strawberry leaf roller, Salt marsh caterpillar	1 day
			Melons (including Cantaloupes, Honeydew melons, Watermelons)	Aphids, Mites, Cabbage looper, Diterous leafminer (adult), Leafhoppers, Lygus bugs, False chinch bug, Salt marsh caterpillar, Cutworms (climbing), Grasshoppers	1 day
			Onion	Aphids, Mites, Cutworms (climbing), Corn earworm, Green stinkbug, Velvet bean caterpillar	1 day
			Potatoes	Aphids, Mites, Grasshoppers, Leafhoppers	1 day
			Spinach	Aphids, Mites, Cabbage looper, Imported cabbageworm, Grasshoppers, Leafhoppers, Diterous leafminer (adult), Cutworms (climbing), Salt marsh caterpillar, False chinch bug	4 days
			Turnips, Turnip Tops, Mustard Greens	Aphids, Mites, Cabbage looper, Imported cabbageworm, False chinch bug, Diterous leafminer (adult), Grasshopper, Leafhopper	3 days
